

## Thank You Card

Show your appreciation with this colorful thank you card made from Grafix favorites.

### SUPPLIES:

- Grafix White Chipboard
- Grafix Rub-Onz
- Grafix Double Tack adhesive film
- Patterned paper
- Cardstock
- Decorative brad
- Hole punch
- Scissors
- Die cutter

### DIRECTIONS:

1. Cut cardstock to 4.5" x 6" and patterned paper to 3.5" x 5" and layer together using Grafix Double Tack.
2. Cut a piece of Grafix White Chipboard into a tag shape approximately 2" x 4" using a die cutter or scissors.
3. Follow instructions on Grafix Rub-Onz package to create and apply 'Thank You' text to chipboard.
4. Cut out a flower and leaf from patterned paper and apply to chipboard using Double Tack.
5. Punch a hole in the chipboard tag and secure to card with a decorative brad.
