

A "Growing Heart" Card

SUPPLIES

Stamp: Growing Hearts H-918

Paper: light orange, orange, deep red, pink, green

Sakura Pens: Glaze Set, Metallic Set, Clear Stardust

Other: ribbon, mounting tape

Step 1

For the bottom layer, cut 4" x 6" piece of pink paper.

For the second layer, cut a 3 3/4" x 5 3/4" patterned paper.

An alternative to the patterned paper would be to cut a 3 3/4" x 5 3/4" piece of light orange paper then stamp a pattern using orange ink.

Step 2

Stamp *Growing Hearts* in black ink on pink paper.

Trim to 2 1/2" x 5 1/4".

Step 3

Stamp the top part of *Growing Hearts* twice on orange, peach and deep red paper. Cut the hearts apart. Using mounting tape, layer the hearts as shown.

Step 4

Using a red Sakura Glaze pen, color in the hearts, dots and circles.

Note: Glaze pens take a little time to dry.

Step 5

Using a green Sakura Metallic pen, color in the leaves and dots on stem.

Note: Metallic pens take a little time to dry.

Step 6

Cut a 2 3/4" x 5 3/8" green sparkle paper.

Make your own by coloring over green paper with a Sakura Clear Stardust pen.

Step 7

Glue/tape the layered and colored *Growing Hearts* on green sparkle paper.

Step 8

Glue/tape at an angle onto the bottom layered papers in Step 1.

Add a bow and send with love.
