1. Cut two strips of off-white pearlescent card stock about 1½ x 7". (Trim to size after cutting decorative edge). Use **E8-004 Classic Ric Rac Edger** to cut/emboss each along one long edge.
2. Align Flower Decorative Insert from **E8-004 Classic Ric Rac** with Ric Rac edge and cut/emboss for both pieces.
3. Cut navy damask for center of card. Cut narrow strips of navy. Adhere to each long edge.
4. Fasten Ric Rac pieces behind navy strips/damask piece.
5. Cut narrow strips of navy card stock. Glue behind line of holes along floral cut-outs.
6. Cut/emboss **S4-323 Ribbon Tags Trio Three** tag from natural card stock. Stamp greeting with blue ink and clear heat emboss.

7. Cut another **S4-323 Ribbon Tags Trio Three** tag of navy card stock. Cut in half horizontally. Glue each half behind natural tag so a narrow edge shows at top and bottom. Ribbon will hide ends.
8. Thread 1" silk ribbon through tag. Add 3D Foam Squares to back of tag. Adhere to card front. Wrap ribbon ends loosely to back and adhere in place. Thread ¼" silk ribbon through tag loop. Tie in bow.
9. Fold 4¼ x 11" piece of natural card stock in half for card. Fasten decorative piece to card front.
