

FALLING LEAVES

This falling leaves card pays tribute to the rich umber and rust tones of autumn. Textured cardstock in burnt orange and pumpkin colors set the tone for the cascade of leaves stamped onto matte-coated postcard. The instructions and ink colors for making this card are the same as for the “Skeleton Leaves Card.” *Ranger’s* Distress Embossing Ink in clear and Adirondaack Embossing Powder in Ginger were used for creating the “Autumn” word block. ♦
